Imagine a career with a ringside seat to all the action

- high-profile criminal trials
- the House of Representatives and the Senate
- major sporting events
- breaking-news stories for TV

We're called court reporters, stenographers, captioners, speed-texters, realtime communication specialists, and IVT technicians (instant voice-to-text). Whatever you call us, we are technology. Picture yourself getting paid to caption the games of your favorite baseball team. Find yourself in the center of the action during a high-profile trial.
